Dutch Design for Every Moment

NeXtime is a proud Dutch brand with a five-decade heritage.

Since our founding in 1970, we have cultivated an unparalleled knowledge of materials and craftsmanship, resulting in timepieces that blend sophisticated, minimalistic style with a bold, playful aesthetic. For decades, fueled by our passion for **'bringing good times'**, we have consistently pioneered the timepiece industry with trendsetting designs.

Designs Dare to Be Different

Boldly innovative, built on history. For 55 years, we've dared to be different, turning meticulous attention to detail into design excellence. We don't just supply products, we create statement pieces that define your style, both in and out of the home.

Special Features

Our clocks are made with love and passion and highlight design or a special feature. Below you find the most important features.

Silent movement

No more annoying ticking sound? Then go for a clock with a silent movement and make sure you can enjoy time in a relaxed way

Radio controlled

The clock will be set automatically because of the Radio Controlled signal from Frankfurt. You don't have to worry about summer or winter time, the clock will always set itself to the correct time with the radio controlled signals from Frankfurt, which means it is for the time zone GMT+1(CET)

Weatherproof

These clocks are suitable for both indoor and outdoor use. Ideal for patio, bathroom or pool.

Table and wall clock

Clocks made with separable stands or small stands that can be hidden behind clocks to give the convenience and extra option of using them for the table or the wall
